

October Fun Day Report

On Oct. 11th the Club celebrated our 15th Annual Fun Day. Each year we use our Fun Day to reach out to Wheaten family pet owners, and pay special tribute to our rescue Wheaten families.

Fun Day activities included games played with our Wheatens with lots of prizes given for biggest nose, longest tail, shortest tail, youngest, oldest, et cetera and the annual Halloween costume parade and parade of rescue Wheatens. A Wheaten afghan was donated and raffled.

Our rally, agility and obedience experts put on a wonderful demonstration on beginning and advanced levels of expertise. The demonstration proved to be quite interesting to everyone.

Fall family portraits, teeth cleaning and a delicious barbeque lunch concluded the festivities of the day. The weather was perfect, and brought approximately 30 families, 40 Wheatens, and our club members out for the day with their best friends.

Everyone attending our Fun Day was then invited to attend the club's monthly meeting held directly after lunch.

Candid

Here are some candid photos of the day, including one with the Club's Rescue Coordinator, Bonney Snyder. Do you recognize anyone else (2- or 4-legged)?

Did I hear someone say: Costume Parade?!?!
